Cathy, I presume you are talking about the draft update to the cadmium criteria (not a rule) that we have out for public comment. you can send your comments to the docket (best) or we will put your comments into the docket when we receive your letter. You can address it to me, or to Kathryn Gallagher. Thanks

Subject: Working on NMFS Cadmium comments - Who should they be sent to?

Hello!

We are in process to complete our review of your cadmium rule. I am not sure if I should be address our letter to. I was thinking the one of your two.

If you can please let me know I would appreciate it. Once you get the comments, we wanted to talk to you about them.

Thanks so much -

Cathy T.
